Metodologie e Tecniche di Design
Prof. A. De Capua

Moodboard: Qualche esempio

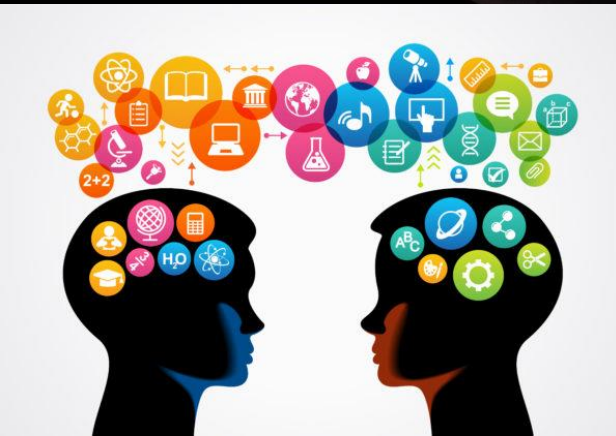

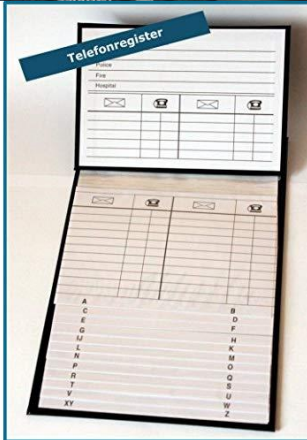

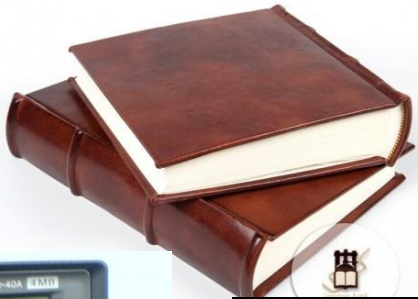

30 Settembre 2024

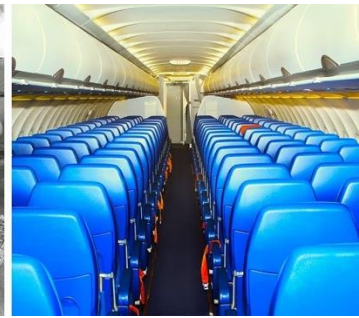

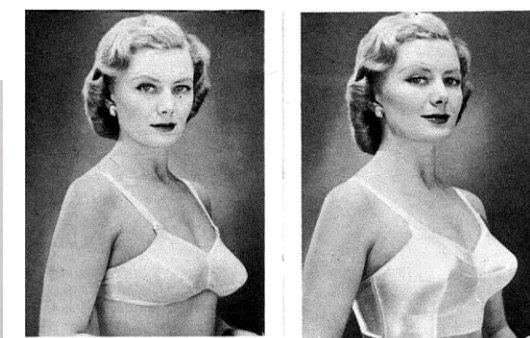

MOODBOARD

Una tavola di stile

(*moodboard*; da *mood* "stile", e *board* "tavola") è solitamente una serie di immagini unite tra di loro come in un collage, che serve ai progettisti a mostrare in un formato visivo un progetto e i concetti di prodotto ad esso correlati.
