**12. Key qualifications (relevant to the assignment)**

- ◆ - XXXXX (Ref 1, 3...)
- During my job as a lawyer of human and women's rights I was part of the team who focused their efforts on strengthening the capacity of national rule of law and justice actors, including in the specialized areas of domestic violence, criminal investigation on domestic violence cases and their prosecution, collection and preservation of evidences during processes, criminal and procedural law reform, and protection of victims.
- I was operating under a programme developed in coordination with the foreigner donors, as Civil Right Defenders and Open Civil Foundation on the monitoring of court decision on Food pension for children after a divorce decision. Another monitoring processes was related with the monitoring of court decision on the implementation of new law on Protective Measures against domestic violence in Albania. In both cases we prepared the monitoring tables and format and after we check all the court decision we prepared the monitoring report with all the data's and information, and the recommendation and conclusions too. I was part of many workshops, round tables and meetings for the new justice reform which is going to be prepared, like as for the new changes on the criminal code where were added more restrictive penal measures against domestic violence's crimes, or the gender equality law or family law.

- Also my expertise is related also with the implementation of these new laws through workshops, trainings and courses, organized and held by me.
- Part of this job was also the coordination with other international and national entities to create and to work in network to achieve our goals.
